

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Access Floorer	Red, Experienced Worker, Blue, Gold	Operative
Aerial and Satellite Installer	Red, Experienced Worker, Blue	Working at Heights
Antenna Systems Installer	Red, Experienced Worker, Blue and Gold	Working at Heights
Asbestos Removal Operative	Red, Blue and Gold	Operative
Autoclaved Aerated Concrete Frame Erector	Red, Experienced Worker, Blue, Gold	Operative
Bench Joiner	Red, Experienced Worker, Blue, Gold	Operative
Bricklayer	Red, Basic Skills, Experienced Worker, Blue and Gold	Operative
Built Up Felt Roofer	Red, Basic Skills, Experienced Worker, Blue and Gold	Working at Heights
Carpenter and Joiner	Red, Basic Skills, Experienced Worker, Blue and Gold	Operative
Cavity Wall Insulation Technician	Red, Experienced Worker, Blue	Operative
Cavity Wall Tie Replacement Operative	Red, Experienced Worker, Blue	Operative
Ceiling Fixer	Red, Experienced Worker, Blue, Gold	Working at Heights
Chimney Engineer	Red, Experienced Worker, Blue	Working at Heights
Communications Installer (Infrastructure)	Red, Experienced Worker, Blue	Operative
Communications Installer Team Leader	Red, Experienced Worker, Gold	Operative
Construction Operative Concrete Placer	Red, Experienced Worker, Blue	Operative

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test your require

Occupation	Cards Available	Level of Health and Safety Test Required
Construction Operative Concrete Repairer	Red, Experienced Worker, Blue	Operative
Construction Operative Drainage Construction	Red, Basic Skills, Experienced Worker and Blue	Operative
Construction Operative Drainlayer	Red, Experienced Worker, Blue	Operative
Construction Operative General	Red, Basic Skills, Experienced Worker and Blue	Operative
Construction Operative Kerbs & Channels	Red, Experienced Worker, Blue	Operative
Construction Operative Modular Paving	Red, Experienced Worker, Blue	Operative
Construction Operative Pavior	Red, Experienced Worker, Blue	Operative
Construction Operative Spray Concretor	Red, Experienced Worker, Blue	Operative
Construction Operative Streetworker	Red, Experienced Worker, Blue	Operative
Construction Operative Structural Concretor	Red, Experienced Worker, Blue	Operative
Construction Site Operative	Green Card	Operative
Craft Mason	Red, Experienced Worker, Blue, Gold	Operative
Curtain and Blind Site Installation Operative	Red, Experienced Worker, Blue	Working at Heights
Curtain, Blinds and Soft Furnishings Installer	Red, Experienced Worker, Blue	Operative
Damp Proofer/ Wood Preserver	Red, Experienced Worker, Blue	Operative

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Diamond Driller and Sawyer	Red, Experienced Worker, Blue	Operative
Directional Driller	Red, Experienced Worker, Blue	Operative
Door Systems Engineer	Red, Experienced Worker, Blue, Gold	Operative
Driller	Red, Experienced Worker, Blue	Operative
Dry Liner: Finisher	Red, Experienced Worker, Blue	Operative
Dry Liner: Fixer	Red, Experienced Worker, Blue	Operative
Dry Liner: Fixer/ Finisher	Red, Experienced Worker, Gold	Operative
Eaves & Rainwater System Installer	Red, Experienced Worker, Blue	Working at Heights
Escalator Installer	Red, Gold	LEIA
External Plasterer	Red, Gold	Operative
External Wall Insulation Installer	Red, Experienced Worker, Blue	Operative
Façade Maintenance: Cleaner	Red, Experienced Worker, Blue	Operative
Façade Maintenance: Surface Repairer	Red, Experienced Worker, Blue	Operative
Fence Installer – General	Red, Blue, Gold	Operative
Fence Installer – Vehicle Safety	Red, Blue, Gold	Operative
Fencing Supervisor	Gold	Operative

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Fenestration Surveyor	Red, Experienced Worker, Blue, Gold	Operative
Floorcoverer: Resilient/ Impervious	Red, Basic Skills, Experienced Worker, Blue and Gold	Operative
Floorcoverer: Textiles	Red, Basic Skills, Experienced Worker, Blue and Gold	Operative
Floorcoverer: Timber	Red, Basic Skills, Experienced Worker, Blue and Gold	Operative
Formworker	Red, Basic Skills, Experienced Worker, Blue and Gold	Operative
French Polisher	Red, Experienced Worker, Blue	Operative
Furniture Installer	Red, Experienced Worker, Blue, Gold	Operative
General Highways Maintenance Operative	Red, Experienced Worker, Gold	Highways
Glazing	Red, Experienced Worker, Blue, Gold	Operative
Heavy Timber Frame Carpenter	Red, Experienced Worker, Blue	Operative
Heritage Skills	Red, Gold and Experienced Worker	Operative
Highways Maintenance Operative: Carriage Construction	Red, Experienced Worker, Blue	Highways
Highways Maintenance Operative: Drainage	Red, Experienced Worker, Blue	Highways
Highways Maintenance Operative: Flexible Pavement Construction	Red, Experienced Worker, Blue	Highways
Highways Maintenance Operative: Kerbs and Channels	Red, Experienced Worker, Blue	Highways

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Highways Maintenance Operative: Modular Pavement Construction	Red, Experienced Worker, Blue	Highways
Highways Maintenance Operative: Modular Paving and Kerb Laying	Red, Experienced Worker, Blue	Highways
Highways Maintenance Operative: Shallow Drainage and Ducting Installation	Red, Experienced Worker, Blue	Highways
Highways Maintenance Operative: Structural Concreting	Experienced Worker, Blue	Operative
Hoist Installer	Red, Experienced Worker, Blue	Operative
In Situ Flooring: Cementitious Screeding	Red, Experienced Worker, Blue	Operative
In Situ Flooring: Concrete	Red, Experienced Worker, Blue	Operative
In Situ Flooring: Resin Coating	Red, Experienced Worker, Blue	Operative
In Situ Flooring: Resin Screed	Red, Experienced Worker, Blue	Operative
In Situ Flooring: Resin Self Smoothing	Red, Gold	Operative
Installation Co-ordinator	Red, Experienced Worker, Gold	Operative
Installer: Conservatories	Red, Experienced Worker, Blue, Gold	Operative
Installer: Curtain Waller	Red, Experienced Worker, Blue	Operative
Installer: Windows and Doors	Red, Experienced Worker, Blue	Working at Heights

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Insulated Panel Installer – (Insulated Enclosures – Commercial)	Red, Experienced Worker, Blue	Working at Heights
Insulated Panel Installer – (Insulated Enclosures – Industrial)	Red, Experienced Worker, Blue, Gold	Operative
Kitchen/ Bathroom Fitter	Red, Experienced Worker, Blue	Operative
Land Driller	Red, Experienced Worker, Blue, Gold	Operative
Landscape Operative - Exterior	Red, Experienced Worker, Blue, Gold	Operative
Landscape Operative - Interior	Red, Gold and Experienced Worker	LEIA
Lift Installer	Red, Gold and Experienced Worker	LEIA
Lift Maintenance Fitter	Red, Experienced Worker, Blue	Operative
Light Steel Frame Erector	Red, Experienced Worker, Blue, Gold	Working at Heights
Lightning Conductor Engineer	Red, Basic Skills, Experienced Worker and Blue	Working at Heights
Liquid Waterproofing Operative	Red, Experienced Worker and Gold	Operative
Maintenance Operative	Red, Basic Skills, Experienced Worker and Blue	Working at Heights
Mastic Asphalter	Red, Blue	Operative
Modular Buildings Installer/ Dismantler	Red, Experienced Worker, Blue, Gold	Operative

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test your require

Occupation	Cards Available	Level of Health and Safety Test Required
Operable Partitioner	Red, Basic Skills, Experienced Worker, Blue and Gold	Operative
Painter and Decorator	Red, Experienced Worker, Blue, Gold	Operative
Painter and Decorator Industrial	Red, Experienced Worker, Blue, Gold	Operative
Partition Fixer/ Demountable Partitioner	Red, Experienced Worker, Blue	Operative
Passive Fire Protection	Red, Experienced Worker, Blue, Gold	Operative
Piling Operative	Red, Experienced Worker, Blue, Gold	Operative
Plant Mechanic/ Construction Plant Maintenance and Repair	Red, Basic Skills, Experienced Worker, Blue and Gold	Operative
Plasterer: Fibrous	Red, Basic Skills, Experienced Worker, Blue and Gold	Operative
Plasterer: Solid	Red, Experienced Worker, Blue	LEIA
Platform Lift Installer	Red,Blue	Operative
Portable Building Installer/ Dismantler	Red, Experienced Worker, Blue	Operative
Post Tensioner	Red, Blue	Operative
Precast Concrete Installer	Red, Experienced Worker, Green	Operative
Projection Plastering	Red, Experienced Worker, Blue	Operative
Public Utilities Electricity Cable Layer	Red, Experienced Worker, Blue	Operative

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test your require

Occupation	Cards Available	Level of Health and Safety Test Required
Public Utilities Gas Mains & Service Layer	Red, Experienced Worker, Blue	Operative
Public Utilities Service Duct Layer	Red, Experienced Worker, Blue	Operative
Public Utilities Telecom’s Cable Layer	Red, Experienced Worker, Blue	Operative
Public Utilities Water Mains Layer	Red, Experienced Worker, Blue	Operative
Public Utilities Water Services Layer	Red, Experienced Worker, Blue	Highways
Road Building: Bituminous Pavior	Red, Experienced Worker, Blue	Highways
Road Building: Concrete Pavior	Red, Experienced Worker, Blue	Highways
Road Building: Micro Asphalter	Red, Experienced Worker, Blue	Highways
Road Building: Pavement Marking Hand	Red, Experienced Worker, Blue	Highways
Road Building: Pavement Marking Machine	Red, Experienced Worker, Blue	Highways
Road Building: Pavement Marking Stud	Red, Experienced Worker, Blue	Highways
Road Building: Planer	Red, Experienced Worker, Blue	Highways
Road Building: Surface Dresser	Red, Experienced Worker, Blue, Gold	Working at Heights
Roof Sheeter and Cladder	Red, Experienced Worker, Gold	Working at Heights
Roof Slater and Tiler	Experienced Worker, Blue	Working at Heights
Roof Slater and Tiler – New Roof	Experienced Worker, Blue	Working at Heights

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Roof Slater and Tiler – Re Roof	Red, Blue,	Working at Heights
Roofer – Specialist Leadworker	Red, Experienced Worker, Blue	Working at Heights
Safety Net Rigger	Red, Experienced Worker, Blue	Operative
Sealant Applicator	Red, Experienced Worker, Blue	LEIA
Service Lift Engineer	Red, Experienced Worker, Blue, Gold	Operative
Shopfitter Benchwork	Red, Experienced Worker, Blue, Gold	Operative
Shopfitter Sitefixer	Red, Experienced Worker, Gold	Operative
Shotfiring Operator	Red, Experienced Worker, Green, Blue	Operative
Sign Installer – Illuminated	Red, Experienced Worker, Green, Blue	Operative
Sign Installer – Non Illuminated	Red, Basic Skills, Experienced Worker and Blue	Working at Heights
Single Ply Roofer	Red, Experienced Worker, Blue	Operative
Site Logistics - General	Red, Experienced Worker, Blue	Operative
Site Logistics – Plant	Red, Experienced Worker, Blue	Operative
Specialist Cladding and Rainscreen Operative	Red, Experienced Worker, Gold	Operative
Specialist Operative: Concrete Placer	Red, Experienced Worker, Gold	Operative

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test your require

Occupation	Cards Available	Level of Health and Safety Test Required
Specialist Operative: Concrete Repairer	Red, Experienced Worker, Gold	Operative
Specialist Operative: Drainlayer	Red, Experienced Worker, Gold	Operative
Specialist Operative: General	Red, Experienced Worker, Gold	Operative
Specialist Operative: Highways Maintenance	Red, Experienced Worker, Gold	Operative
Specialist Operative: Land Drilling	Red, Experienced Worker, Gold	Operative
Specialist Operative: Pavior	Red, Experienced Worker, Gold	Operative
Specialist Operative: Piling	Red, Experienced Worker, Gold	Operative
Specialist Operative: Spray Concretor	Red, Experienced Worker, Gold	Operative
Specialist Operative: Streetworker	Red, Experienced Worker, Gold	Operative
Specialist Operative: Tunnelling	Red, Experienced Worker, Blue	LEIA
Stairlift Engineer	Red, Experienced Worker, Blue	Working at Heights
Steel Decker	Red, Experienced Worker, Blue, Gold	Operative
Steel Erector	Red, Experienced Worker, Blue, Gold	Operative
Steel Fabricator – Plater	Red, Experienced Worker, Blue, Gold	Operative
Steel Fabricator – Welder	Red, Experienced Worker, Blue	Operative
Steelfixer	Red, Experienced Worker, Blue, Gold	Working at Heights

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Steeplejack	Red, Experienced Worker, Blue	Operative
Stone Fixer	Red, Experienced Worker, Blue, Gold	Operative
Stonemason: Banker	Red, Experienced Worker, Gold	Operative
Stonemason: Banker/ Fixer	Red, Experienced Worker, Gold	Operative
Stonemason: Fixer	Red, Experienced Worker, Blue, Gold	Operative
Stonemason: Marble and Granite	Red, Experienced Worker, Gold	Operative
Stonemason: Setter Out	Red, Experienced Worker, Blue	Working at Heights
Stud Welder	Red, Blue, Gold	Working at Heights
Suspended Access Equipment Installer	Red, Experienced Worker, Blue, Gold	Operative
Thatcher	Red, Experienced Worker, Blue	Operative
Thermal Insulation Installer	Red, Blue	Working at Heights
Timber Frame Erector	Red, Blue	Working at Heights
Tinsmith	Experienced Worker, Blue	Operative
Tower Crane Erector	Red, Experienced Worker, Blue	Operative
Tunneller	Red, Basic Skills, Experienced Worker and Blue	Operative

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist – See which level of Health and Safety test your require

Occupation	Cards Available	Level of Health and Safety Test Required
Tunneller – Hand Miner	Red, Basic Skills, Experienced Worker and Blue	Operative
Tunneller – Machine Miner	Red, Basic Skills, Experienced Worker and Blue	Operative
Tunneller – NATM Miner	Red, Basic Skills, Experienced Worker and Blue	Operative
Tunneller – Pipejacking/Micro Tunnelling Miner	Red, Basic Skills, Experienced Worker and Blue	Operative
Tunneller – Shaft Miner	Red, Experienced Worker, Blue	Operative
Underpinner	Red, Experienced Worker, Blue, Gold	Operative
Upholsterer	Red, Experienced Worker, Blue, Gold	Operative
Wall and Floor Tiler	Red, Experienced Worker and Blue	Operative
Water Jetter – Cutting & Breaking	Red, Experienced Worker and Blue	Operative
Water Jetter – Drains and Sewers	Red, Experienced Worker and Blue	Operative
Water Jetter – Surface Cleaning	Red, Experienced Worker and Blue	Operative
Water Jetter – Tube Cleaning	Red, Experienced Worker, Blue, Gold	Operative
Wood Machinist	Red, Experienced Worker, Blue	Operative
Wood Preserver/ Damp Proofer	Red, Experienced Worker and Blue	Operative

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist Managerial – see which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Architect	PQP	Managerial & Professional (MAP)
Architectural Technologist	Platinum, Experienced Supervisor or Manager	Manager
Building Control Officer	Platinum	Manager
Building Control Surveyor	Platinum	Manager
Building Control Surveyor	Platinum	Manager
Building Maintenance & Estates Manager	Platinum	Manager
Building Maintenance & Estates Supervisor	Gold	Supervisor
Building Services Engineer	Platinum	HVACR
Building Site Manager	Platinum, Experienced Supervisor or Manager	Manager
Building Site Manager (Conservation)	Platinum, Experienced Supervisor or Manager	Manager
Building Site Supervisor	Gold, Experienced Supervisor or Manager	Supervisor
Building Surveying Assistant	Gold	Supervisor
CDM Co-Ordinator	Platinum	Manager
Civil & Structural Engineering Designer	Platinum, Experienced Supervisor or Manager	Manager
Civil Engineering Site Manager	Platinum, Experienced Supervisor or Manager	Manager
Civil Engineering Site Supervisor	Gold, Experienced Supervisor or Manager	Supervisor

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist Managerial – see which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Clerk of Works	Platinum	Manager
Communications Technology Manager	Platinum	Manager
Communications Technology Supervisor	Gold	Supervisor
Conservation Consultant	Black	Managerial & Professional (MAP)
Conservation Controller	Platinum	Manager
Construction Contracting Buyer	Platinum, Experienced Supervisor or Manager	Manager
Construction Contracting Buying Assistant	Gold, Experienced Supervisor or Manager	Supervisor
Construction Contracting Estimating Assistant	Gold, Experienced Supervisor or Manager	Supervisor
Construction Contracting Estimator	Platinum, Experienced Supervisor or Manager	Manager
Construction Contracting Planner	Platinum, Experienced Supervisor or Manager	Manager
Construction Contracting Planning Assistant	Gold, Experienced Supervisor or Manager	Supervisor
Construction Contracting Surveying Assistant	Gold, Experienced Supervisor or Manager	Supervisor
Construction Contracting Surveyor	Platinum, Experienced Supervisor or Manager	Manager
Construction Health and Safety Manager	Platinum, Experienced Supervisor or Manager	Manager
Construction Health and Safety Officer	Gold, Experienced Supervisor or Manager	Supervisor

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist Managerial – see which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Construction Health and Safety Senior Manager	Black, Experienced Supervisor or Manager	Managerial & Professional (MAP)
Construction Plant and Equipment Manager	Platinum, Experienced Supervisor or Manager	Manager
Construction Plant and Equipment Supervisor	Supervisor, Experienced Supervisor or Manager	Supervisor
Construction Project Manager	Black, Experienced Supervisor or Manager	Managerial & Professional (MAP)
Construction Site Inspector	Platinum, Experienced Supervisor or Manager	Manager
Construction Site Inspector (Assistant)	Gold, Experienced Supervisor or Manager	Supervisor
Construction Site Manager (Conservation)	Platinum	Manager
Construction Site Manager (Consulting Engineering)	Platinum	Manager
Construction Site Manager (Contracting)	Platinum	Manager
Construction Site Supervisor (Contracting)	Gold	Supervisor
Construction Site Supervisor (Highways Maintenance)	Gold	Supervisor
Contracts Manager	Black, Experienced Supervisor or Manager	Managerial & Professional (MAP)
Demolition Engineer	Platinum	Manager
Environmental Manager (Construction)	Platinum	Manager
Fenestration Supervisor	Gold, Experienced Supervisor or Manager	Supervisor

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist Managerial – see which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Highways Maintenance (Manager)	Platinum, Experienced Supervisor or Manager	Manager
Highways Maintenance (Supervisor)	Gold, Experienced Supervisor or Manager	Supervisor
Laboratory Assistant	Technical, Experienced Supervisor or Manager	Operative
Laboratory Technician	Technical, Experienced Supervisor or Manager	Operative
Landscape Architect	Platinum	Manager
Lift & Escalator Manager	Platinum, Experienced Supervisor or Manager	Manager
Lift & Escalator Supervisor	Gold, Experienced Supervisor or Manager	Supervisor
Occupational Work Supervisor	Gold	Supervisor
Property and Caretaking Supervisor	Gold	Supervisor
Property Manager	Platinum	Manager
Quality Manager (Construction)	Platinum	Manager
Quantity Surveying Assistant	Gold	Supervisor
Quantity Surveyor	Platinum	Manager
Residential Construction Site Manager	Platinum	Manager
Residential Construction Site Supervisor	Gold	Supervisor
Senior Transportation Practitioner	Black	Managerial & Professional (MAP)

This checklist is designed for Operatives, Managerial and Supervisory roles to help you decide on your test type.

CSCS Card Test Checklist Managerial – see which level of Health and Safety test you require

Occupation	Cards Available	Level of Health and Safety Test Required
Site Technical Assistant	Gold, Experienced Supervisor or Manager	Supervisor
Spatial Data Manager	Platinum	Manager
Surveying Assistant (General Practice)	Gold	Supervisor
Technical Design Assistant	Gold, Experienced Supervisor or Manager	Supervisor
Town Planning Assistant	Gold	Supervisor
Town Planning Practitioner	Platinum	Manager
Transportation Assistant	Gold	Supervisor
Transportation Practitioner	Platinum	Manager
Transportation Technical Assistant	Gold, Experienced Supervisor or Manager	Supervisor
